

Dear MDDTC student,

Our indoor training facility is located at **1027A Detroit Avenue in Concord**. It is about 1/2 mile down the street from Costco on the same side of the road. We have a bright blue front door. The included aerial photo shows you where to park. It may look like there is a lot of open parking in the lot next to our building, but we are only entitled to 5 spots, marked A.

There may be classes before your class. Please wait outside and maintain social distancing. The trainer or training assistant will let you know when you can come in. As you enter the building, through the first indoor door, to the left is the training room and to the right is the dog potty area. Please use only our dog potty area if your dog needs to potty. Also, remember to pick up after your dog.

After you and your dog finish with class, please do not linger. There may be a class immediately following yours so we ask that you free up the parking places since they are limited. Leaving immediately will also serve to facilitate social distancing. You will exit out the door that is closest to the parking lot (not the door you came in).

When you come to class, you should bring:

- A **mask**. If you forget, you can buy one for \$1.
- 6-foot leash that doesn't retract
- the collar you are currently using
- soft dog treats
- One dog, one person - no spectators please

Please DO NOT come to class if you are not feeling well. If you or someone in your household tests positive for Covid, please let us know ASAP.

Parking info on next page

Mt. Diablo Dog Training Club, Inc.

1027 Detroit Ave, Concord CA

Suite A

Club Parking in the Parking lot is limited to the 5 "A" spots

2 against the bulding and the first 3 parking spots on the left.

All other spots are for other building tenants.

If no "A" spots are available please park on the street.

These parking restrictions apply to all classes: day, night and weekend.
